Why Choose PracBee Test Series?

Embrace the power of precision with our scientifically designed test series, tailored to unleash your full potential. Dive into the world of knowledge with mind maps that illuminate every chapter, offering a unique and comprehensive understanding.

Experience our performance improvement program, a transformative journey crafted to elevate your abilities to new heights. We're not just a coaching center, we are architects of your success, guiding you with unwavering support towards excellence.

With a blend of cutting-edge methodologies and personalized attention, we'll shape your future into an inspiring masterpiece of achievement.

Schedule For JEE Main Test Series(2024)

Test No.	Date	Syllabus		
		Physics	Chemistry	Maths
1	20-08-2023	Electric charges and Field (XII), Basic Maths with calculus (XI)	Chemistry: Liquid Solutions (XII), Basic concepts of chemistry (XI)	Matrices and Determinants(XII) ,Sets,Mathematical Reasoning(XI)
2	27-08-2023	Electric Potential and Gravitation (XII), Vectors, Units n dimensions and Error (XI)	Haloalkanes and Haloarenes (XII), Hydrocarbons (XI)	Relation and Functions (XII), Equation and Inequations (XI)
3	03-09-2023	Current Electricity (XII), Kinematics (1D, 2D, Relative motion) (XI)	Electrochemistry (XII), Redox reactions, Thermodynamics (XI)	Inverse Trigonometric Functions(XII),Trigonometric Ratios and Identities and Equation (XI)
4	10-09-2023	Capcitors (XII), NLM (XI)	p block (XI and XII), d and f block (XII), s block (XI)	Limits (XII), Sequence and series(XI)
5	17-09-2023	Block Test 1+2+3+4		
6	24-09-2023	Magnetism (XII), WPE and Circular motion(XI)	Chemical Kinetics (XII), Chemical and Ionic Equilibrium (XI)	Continuity and Differentiability,Differentiation(XII) Binomial Theorem (XI)
7	01-10-2023	Electromagnetic Induction (XII), Center of mass, Linear mometum and collision (XI)	Chemistry: Alcohol, Phenol and Ether, Aldehyde, Ketones and Carboxylic acids (XII), Organic Chemistry - Some basic principles and Techniques(XI)	Application of Derivatives(XII) Straight Lines(XI)
8	08-10-2023	Alternating Current and EM waves (XII), Rotation(XI)	Metallurgy,Co-ordination compounds(XII), Chemical Bonding (XI)	Indefinite Integrals(XII) Circles(XI)
9	15-10-2023	Block Test 6+7+8		

Schedule For JEE Main Test Series(2024)

Test No.	Date	Syllabus		
		Physics	Chemistry	Maths
10	22-10-2023	Physics: Ray Optics (XII), Fluids and elasticity (XI)	Amines, Biomolecules and Polymers(XII), Environmental chemistry (XI)	Definite Integrals (XII) Conic Sections(XI)
11	29-10-2023	Wave Optics (XII), Waves and Oscillation (XI)	Solid State(XII) , States of Matter (XI)	Area and Differential Equations(XII) permutation and Combination (XI)
12	05-11-2023	Modern Physics (Dual Nature, Atoms and Nuclei) (XII), Calorimetry, Thermal Expansion and heat transfer (XI)	Surface Chemistry (XII), Structure of an atom (XI)	Vectors(XII) Statistics,Probability(XI)
13	12-11-2023	Semiconductors and Communication system (XII), KTG and Thermodymaics (XI)	Chemistry: Qualitative and Quantitative analysis, Chemistry in Everyday life (XII), Periodic table and Properties and Hydrogen (XI)	3 D Geometry(XII) Complex Numbers(XI) Statistics,Probability(XI)
14	15-11-2023	Block Test 10+11+12+13		
15	19-11-2023	Electromagnetism	Complete Organic chemistry	Differential calculus
16	22-11-2023	Optics	Complete Physical chemistry	Integral calculus
17	26-11-2023	Modern Physics	Complete Inorganic chemistry	Matrices and Determinants, Vectors and 3D
18	29-11-2023	Mechanics (incl fluids and elasticity)	Complete Organic chemistry	Coordinate Geometry
19	03-12-2023	Waves and oscillation	Complete Physical chemistry	Algebra (XI)
20	07-12-2023	Heat (incl KTG and thermodynamics)	Complete Inorganic chemistry	Trigonometry
